To Whom It May Concern

Statement on Eterpan LD

We confirm that the test method stated in Appendix C of AS/NZS 2918:2001 is equal to that stated in Appendix G of the superceded standard NZS 7421:1990.

We confirm that the test method stated in Appendix A of AS/NZS 2918:2001 is materially the same as that stated in Appendix H of the superceded standard NZS 7421:1990. The sample sizes differ slightly but the test method and temperature limits are unchanged.

Signed: 

Name: R. CAMPTON
