

Copyright & Conditions Of Use

1. Copyright

The material published in this website is the property of PBS Group. The use of cad drawings are subject to the conditions of use described below. All other materials may not be copied, used or replaced in any manner outside the uses permitted in this website, without PBS Group express written consent.

2. Conditions Of Use

If you do not agree to the provisions below do not use PBS Group cad drawings.

Copyright in this information belongs to PBS Group and the reproduction of this material is only authorized for purposes connected with the specification or use of PBS Group products or systems. This information is intended to be informative and used as guidance in conjunction with the relevant PBS Group literature. Due to the many variables affecting different projects it cannot replace the judgment or advice of an architect, engineer or other relevant technical expert. Such experts must be consulted to determine the suitability or otherwise of the details or the necessity for further design or detailing.

Cad drawings available from the PBS Group website are solely for the purposes of detailing, specifying, using and promoting the use of PBS Group products and systems in conjunction with PBS Group specifications & guidelines.

Permitted Use

The PBS Group documentation, including cad drawings, are protected by copyright laws. All PBS Group intellectual property rights, libraries, source codes, technical specifications, BRANZ Appraisals and other files contained on the PBS Group cad files remain the exclusive property of PBS INVESTMENTS LTD.

The user is authorized to reproduce and distribute exact copies or exact extracts of the cad drawings for the sole purpose of detailing, specifying, using and promoting the use of PBS Group products & systems.

Prohibited Use

The user may not, under any circumstance use or allow the use of the cad drawings with any product or system other than PBS Group products and systems.

Disclaimer

PBS Group companies may provide warranties in relation to the products and systems that are the subject of the cad drawings. The details of such warranties are available from the offices of PBS Group companies.

All other expressed or implied warranties or liabilities in relation to the cad drawings, and information contained in the cad drawings are excluded, except for any warranties or liabilities, which may not be modified or excluded under relevant laws. PBS INVESTMENTS LTD accepts no liability arising out of the use, reproduction or distribution of the cad drawings.

The user will remain solely responsible to anyone receiving or using systems created by the user, using the cad drawings.
